

# WORLD CUP GAMES

## WATCH THEM HERE!

Join us at Sea Capitán, Cocina Costera this June as Kansas City welcomes soccer fans from around the world! Starting in June, We'll be showing as many matches as possible during business hours. Games extending on a little later than expected? Not a problem! We'll be there serving our beverages and snacks to keep the excitement going.

Whether you're gathered around our bar, patio or dining room, we'll have featured drinks, coastal Mexican bites, frozen margaritas, and cold cervezas to enjoy with the soccer fans.

Looking to host a larger watch party? We can host groups of 15, 30, 60 or even 120. Whether it be the entire space, our outdoor patio or our Private Dining Room, we're happy to chat about the possibilities!
